

There's a New Blog in Town

Our book IMAGES OF FISHERMEN: The North Atlantic has now got its own dedicated web companion at www.images-fishermen.com where you can learn all about the many exciting reviews the book is getting from near and far, take part in discussions and much more.

The blogging platform used is WordPress which runs perfectly on our web servers. Need a blog for your next campaign or your favorite subject? Or rather a corporate website to present your company and its products and services? Whether it's the award-winning Joomla comprehensive website system -- used by e.g. this site (PRnewsMedia.com) as well as Annual Business Report and the newly-released Bergið Fishing Gear -- or the lightweight industry-standard WordPress blogging platform -- e.g. www.images-fishermen.com -- we'll get you up and running with a complete solution that includes web hosting, built-in CMS, customized design, initial help with content creation and technical support.

Discuss your options with us -- we'll offer a few insights crucial to your success that you won't easily find anywhere else...
